## Winter 2012 Review – Cross Country Season

The 2012 Winter Cross Country Season was a great season, with a very big improvement on the good results from the previous years.

With a much big increase in runners following on from 2011, we added more depth to our Winter Team. Unfortunately absenteeism and injuries to many of our better runners, prevented all our teams from finishing higher.

Our Open Division 1 Team finished 3rd in the Club Championship, whilst our Open Division 2 Team finished 3rd as well. Our Women's Team finished equal 5th.

We welcomed new club members:

- Will Kwong
- Jack Holden (SKC Student)
- Stephanie Greenslade
- Katie Barnes
- Catherine Schwef
- Anthony Guy
- Aaron Little
- Matthew Zonneveldt

Highlights of the year were:

- Xavier Chapman winning the APSOC Male Athlete of the Year.
- Kelly Jarrett runner up in the APSOC Female Athlete of the Year
- Chloe Cornwell runner up in the APSOC Female 40 of the award.
- Kelly Jarrett Winner (Women) at The Allan Hooley Relay 3.1km: 12.25
- Kelly Jarrett Winner (Women) at The McPhail 8km: 29.17
- Catherine Schwef Winner (Women) on Debut at The Orchard 10km: 38.24
- Xavier Chapman Winner at The Orchard 10km: 33.32
- Kelly Jarrett Winner (Women) at in the 10km at The Graham Wise Mini Marathons: 38.30
- Chloe Cornwell Winner (Women) in the Half Marathon 21.1km at The Graham Wise Mini Marathons: 100.03
- Josh West Winner at The Lodge 8km: 27.05
- Xavier Chapman Winner at The Lodge 16km: 54.35
- Josh West (1st), Jeremy Weeks (2nd) & Pete Shearman (3rd) taking the trifecta in the Lodge 8km.
- Anthony Aloisio Winner at The Hare & Hounds 8km: 27.56
- Anthony Aloisio (1st), Xavier Chapman (2nd) & Alex Rowe (3rd) taking the trifecta in The Hare & Hounds 8km. (with Justin Rinaldi 5th and Matthew Zonneveldt 6th)
- Xavier Chapman Winner at The Churchill Park 12km: 42.51
- Open Division 1 Team placing 2nd at The Cooke McClelland 8km
- Open Division 2 Team Winning at The Jamieson & The Geelong Relays

- 3 complete Teams (2 Open & 1 Women's) competing at the Geelong Relays.
- **Nick O'Neill running a quicker time 15.05 by 3 seconds than Eamon Lynch 15.08 at The Dyson!**

A BIG thanks to all those that helped set up and pack up at the The Lodge Handicap.

Thanks to all athletes who competed for our great club over the 2012 Winter Season.

Hopefully a lot of improved progress has been made in season 2012, when compared to previous seasons and hopefully this carries over to season 2013 and set us up for the future.

## Summer 2012/2013 Review

The Summer Season for 2012/2013 will go down as one of the most successful in the history of the St Kevin's AAC. By winning the Division 1 Shield Final on February 16th, SKAAC can lay claim of being the best club in Victoria. It was the second time we have won the Hunter Shield (previously in 2010/2011), but more importantly, it is the second victory in just three seasons! This golden era would not be possible without the talent and depth of athletes, plus the commitment of all the coaches and officials. We should also be mindful of the culture of success set throughout the history of the club, which is littered with State and National Title holders.

Once again, it was a trademark slow start to the summer interclub competition with many athletes unable to compete due to school and university exams. Also, late AV registration again continued to prove costly with many runners unable to gain points for not being registered early in the season.

However, by December momentum was gaining with increased numbers and quality performances on both the track and field.

Star multi-event decathletes like Steve Cain, Hamish & Zach Nelson, Pete McGarry and Dan Bailey earned hundreds of vital points throughout the season. We also received strong representation in the middle distance, sprints & walking events. This proved too much for bigger clubs such as Box Hill and Collingwood and we again took out the Division 1 Eastern Region Premiership.

The Shield Final at Albert Park's Lakeside Stadium was a terrific day for SKAAC with so many brilliant athletes on show. All performed superbly against the best runners from the best clubs in other regions of the state. Full details of individual times and performances have been uploaded on the club website and through social media.

The Team Result for the Division 1 Shield Final is listed below.

### Men Open Division 1

	Club	Points
1 <sup>st</sup>	St Kevin's AAC	1,003.00
2 <sup>nd</sup>	Athletics Essendon	929.50
3 <sup>rd</sup>	Glenhuntly	885.50
4 <sup>th</sup>	Box Hill	718.00
5 <sup>th</sup>	Melbourne Uni	534.50
6 <sup>th</sup>	Knox	468.50

Special mention must go to Dino Imbriano and Pat Noonan for their in-depth analysis of the competition rules. Together, they were able to identify gaps in events and encouraged athletes to qualify and compete. This allowed SKAAC to fill every event at the Shield Final to earn maximum points in the quest for the title.

The team success of the club was mirrored by some brilliant individual performances in various competitions;

- Chris Bridge and Andrew Thomas had victories in middle distance events at the Victorian Masters Games in March.
- Steve Fabris capped a terrific debut 'pro' season by making the 400m final at Stawell.
- Timas Harik continues to improve and develop with a huge 800m PB of 1:49.37.
- Matt Bertacco emerged from star schoolboy athlete to dominate against more experienced open aged athletes.
- Anthony Aloissio finished 9th in a competitive 5000m at the Nationals.
- Steve Cain earned 6833 points (10th) in the Decathlon after being DQ'd in the 400m. Only 560 points (eg a 54s+ 400) would have given him another National Title !
- Hamish Nelson in the same competition earned 6466 points for 12<sup>th</sup> place (8th Australian) to cap off his season of consistent high quality performances.
- The icing on the cake for the Summer athletics season for SKAAC was the recent victory by Alex Rowe in the 800m at the National Titles. Alex continues a proud tradition of the club's amazing record in this event, with past winners such as Simon Lewin and Alex's coach, Justin Rinaldi.

A big thankyou to everyone who competed, coached, officiated and supported over the Summer. We look forward to maintaining this great club's dominance in season 2013/2014.

## President's Report

I am pleased to report that SKAAC enjoyed a much improved cross country season in 2012 and a very successful 2012-13 Track and Field season. Finishing 3<sup>rd</sup> in the Cross Country season was by far the best result for many seasons. An open Division 1 Premiership was the highlight of the 2012-13 year.

It is pleasing to see that participation in both the Winter and Summer seasons have increased over the last few years. This has been a significant factor to achieving such pleasing team results.

Whilst the success has been good for the club, we need to ensure that we don't become complacent. We are a relatively small club and therefore some of our biggest issues are not fielding competitive teams but just completing the behind the scenes work. Whilst we have a very stable committee it is important, as a small club, that the committee receives help when needed. The committee meet every month on the first Monday. We invite club members to attend and make a contribution. Whether it's a suggestion, or advice on what can be done better, or the offer of a helping hand. Please don't be shy.

I thank my fellow committee members on the dedicated and outstanding work performed during the year – without such commitment, the club can not continue for the benefit of the members.

There are also many within the club that I wish to thank for their continued support. This includes Pete Kehoe as club coach. Steve Cain, for his fund raising efforts, leadership during the track and efforts representing SKAAC so often and consistently.

Challenges that lay ahead:

- Recruitment and retention of athletes
- Training base/groups
- Building better relationships with the school
- Ensuring students recognise SKAAC as a club to join, whilst as students and also as old boys.
- Fundraising.
- Track and Field, recognise and plan for possible changes to regions, e.g. possible addition of a central region.
- Supply of Officials, especially for track and field.

We thank the following associations:

- Athletics Victoria
- APSOC
- APSU

Thanks also to St Kevin's College, especially Luke Travers for his continued support and enthusiasm for the club.

We look forward to 2013 and consolidating our position as one of the top 3 APSOC teams. Then it will be another title defense, striving for a 4<sup>th</sup> consecutive East Region premiership and a Back to Back Shield Premiership!!
